

MERLIN'S KIDS INC.
CHARITY NAVIGATOR STATEMENT

Merlin's Kids, Inc, despite the pandemic, is thriving and continuously providing service dogs to scores of special needs children and children with cancer and veterans.

Due to frivolous retaliatory complaints by former affiliates and competitors, the N.J. State Consumer Affairs Division is seeking to investigate and adjudicate these claims. Merlin's Kids is aggressively defending and counterclaiming to end this frivolous activity and continue to direct all efforts to procuring rescue dogs, training them and delivering exceptional service dogs.

This is a vital and vibrant organization run by a three (3) time cancer survivor who has devoted her life to this mission. Should you have any doubts or any questions, please feel free to call Executive Director Janice Wolfe at 855-449-9288. Thank you for your interest.
